Let's B
Seating

Steelcase

D0036 | LET'S B HIGH BACK TASK CHAIR (AT03), OLOGY DESK (AT/320), C.SCAPE SCREEN AND MODESTY PANEL (AT03) TAGWIZARD, DASH MINI (SL)

DESIGNED TO MEET INDIVIDUAL NEEDS

Each task requires a different posture and no two people are built alike. Let's B flexes to meet everyone's individual need. With its natural flexibility and simple yet stylish design, Let's B provides a comprehensive solution.

C8498 | LET'S B HIGH BACK TASK CHAIR (AT16), FRAMEONE BENCH (WY/SL), PARTITO RAIL (DB27), FLEXBOX STORAGE (WY/AT), DASH LAMP, 1+1 ACCESSORIES

NATURAL FLEXIBILITY AND SUPPORT

Let's B adapts to body posture and patterns of movement in a seated position. Its flexible backrest follows the moves, allowing the upper body complete freedom of movement.

Let's B backrest is composed of one unique foam, padded with two different densities. The upper part contains dense foam to support the upper back, while the lower part is covered in a soft foam to cushion the lumbar region.

ADJUSTABILITY & PERSONALISATION

Easy adjustability: Let's B adjustments are simple and intuitive to use. All of the controls are located for easy access. The user guide is stored in the backrest ensuring quick access to information, whenever it is needed. Personalisation: the label holder allows companies and users to add their own touch with name tags. Companies can also choose from many fabrics and colours.

A COMPREHENSIVE SOLUTION

Both the Let's B task chair and Eastside sled visitor chairs are an excellent seating solution for reception at the desk as well as meetings and everyday group collaboration.

STATEMENT OF LINE

Task chair without armrests

Task chair with armrests

High and Mid Back, synchronised mechanism (tilt tension), seat height adjustment, back height adjustment, upright position lock, ø50mm castors.

OPTIONS

Armrests (height and width adjustments), seat depth adjustment, multi position back lock.

ADJUSTMENTS

Seat height

Backrest height adjustment

Seat depth (in option)

Tilt tension adjustment

Multi-position and upright back lock (in option)

Armrests: height and width adjustable (in option)

SURFACE MATERIALS

Finishes shown in brochure:

- AT01 Atlantic Red
- AT03 Atlantic Apple Green
- AT16 Atlantic Blue Jay
- IM07 Impress Acorn

Colours are representative and may vary slightly from actual material.

SUSTAINABILITY

DESIGNING FOR THE ENVIRONMENT REQUIRES INNOVATIVE THINKING AND SOLUTIONS.

LIFE CYCLE ASSESSMENT

During our products development process we consider each stage of the life cycle: from materials extraction, production, transport, use and reuse, until the end of its life. Thanks to the Life Cycle Assessment (LCA) method, Steelcase quantified Let's B environmental impacts to set the stage for further improvements. This method, based on ISO 14040 and 14044 and selected by The European Union for environmental evaluation, allows us to quantify the environmental impact of our products throughout their whole lifecycle.

MATERIALS

6% recycled materials, by weight (2% pre-consumer + 4% post-consumer).
100% recycled cardboard in packaging and 25% recycled LDPE film.

PRODUCTION

Assembled in Sarrebourg (France) by Steelcase.
Uses powder-coat paints: VOC-free and free of heavy metals.

TRANSPORT

Assembled in Europe, close to customers.
EcoSmart packaging to keep transport volumes as low as possible and improve filling rates.

USE

Designed for a long product life, with replaceable parts.
Materials meet stringent health and indoor air quality criteria.
Maintenance information available on Steelcase.com

END OF LIFE

93% theoretically recyclable by weight.
100% theoretically recyclable cardboard and LDPE film for packaging.
Quick and easy disassembly.
Plastic parts clearly labelled for easy sorting and effective recycling.
Designed to ensure responsible end of use strategies - refurbishing, charitable donation or recycling.

CERTIFICATIONS

To show continuous improvements, we communicate Let's B environmental performance through voluntary environmental labels and declarations. Sustainability related actions and results are communicated in the annual Steelcase Corporate Responsibility report.

PRODUCT

- EPD - Environmental Product Declaration
- NF Environnement
- NF Office Excellence Certifié
- Indoor Advantage Gold

MATERIALS

- OekoTex 100 - Confidence in textiles
- European Eco-Label - for textiles
- C2C - for textiles

PLANTS

- ISO 14001 - Environmental management system
- OHSAS - Occupational Health and Safety Assessment Series
